SEASON 10 BEGINS  
MONDAY JUNE 23  
8:00PM

WQPT  PBS

A public media service of Western Illinois University

June 1, 2025

## Dear WQPT PBS member,

WQPT PBS, and all public media, are facing the most serious threat to federal funding in decades. This is a credible threat to our work, jeopardizing essential services that inform and unite Americans.

WQPT PBS belongs to you. We are the only community-owned television station in the region, and we are proud to serve over 800,000 viewers each month. Simply put, cuts to our federal funding would devastate the programs and initiatives our community relies on, leaving many of our neighbors without the critical services we provide including educational support in local classrooms, emergency alerts, and programming and outreach that educate, inform, and connect communities across our region.

In light of this news, WQPT is launching an emergency campaign to help safeguard the services our local community depends on. WQPT's mission remains unwavering: to inform, engage, and serve every member of our community. We're still here, still broadcasting, and more dedicated than ever to our mission of public service. But to continue, we truly need community support.

We are encouraging you to take immediate preemptive action by learning more and signing up at [Protect My Public Media](https://protectmypublicmedia.org). Your voice will be crucial if the situation progresses as we believe it will. This is one small, but vital action you can take today to ensure readiness for what may follow.

Please go to [protectmypublicmedia.org](https://protectmypublicmedia.org) to contact your legislators in support of WQPT, your local PBS station.

We will continue to provide updates as the situation unfolds. Thank you for your support and advocacy in this challenging time.

With sincere gratitude,

A handwritten signature in black ink that reads "Dawn Schmitt".

## IMPORTANT NOTICE

With federal funding for WQPT PBS at serious risk, we're forced to examine the efficiencies of the services we provide for our valued members.

We will be reducing the size of this printed guide to include only program listings, with no additional content.

Or, some of you may prefer to view our current program listings through our homepage at [WQPT.org](http://WQPT.org), where our full schedule is available, not just the primetime schedule.

Thank you for your understanding, and for your assistance in reducing our costs during this difficult time.

Thank you.
